

DIVYANSHU PANDEY

PROFILE SUMMARY

Motivated Computer Science undergraduate with strong problem-solving skills and a passion for software development, web technologies, and data structures. Experienced in full-stack web development using Python, HTML, CSS, JavaScript, and MySQL. Quick learner with leadership qualities, seeking opportunities to build scalable real-world applications and grow through hands-on industry exposure.

EDUCATION

B.Tech in Computer Science & Engineering

CGPA: 7.2

SRMCEM, Lucknow | 2023 – 2027

Class XII (CBSE) – 80% | 2023

Class X (CBSE) – 90% | 2021

WORK EXPERIENCE

SRDT Web Development Internship

10 Days

- Developed web applications using HTML, CSS, JavaScript and implemented backend fundamentals, gaining practical exposure to the full development workflow.
- Integrated MySQL databases with web forms and performed CRUD operations, strengthening understanding of database-driven application design.

L&T Training Program

Short Term

- Gained foundational exposure to mobile application development concepts and industry-level software engineering practices.
- Collaborated with peers on structured development tasks, improving teamwork and technical communication skills.

PROJECTS

Portfolio Website

HTML | CSS | JavaScript

- Designed and developed a fully responsive personal portfolio website showcasing skills, projects, and contact details; optimized for multiple screen sizes using CSS Flexbox and Grid.
- Implemented smooth UI interactions and dynamic content rendering using vanilla JavaScript, improving overall user experience and engagement.

Rental House System

Python | HTML | CSS | JavaScript | MySQL

- Built a full-stack rental property management system supporting listing, searching, and managing rental properties with a user-friendly interface.
- Integrated MySQL backend for persistent data storage; implemented features such as user authentication, property filtering, and admin management panel.

SKILLS

TECHNICAL SKILLS Java | Python | HTML | CSS | JavaScript | MySQL | Data Structures & Algorithms | Git & GitHub | Object-Oriented Programming | Responsive Web Design | REST API Basics | Problem Solving | Command Line Basics

SOFT SKILLS – Leadership | Quick Learner | Team Player | Communication | Adaptability | Time Management | Analytical Thinking | Collaboration

CERTIFICATIONS & ACHIEVEMENTS

- Certified – Google Cloud Study Jam (2025)
- Certificate of Participation – 3 Days UHV Workshop
- Certified – SRDT Web Development Internship
- Winner – Inter College Tech Fest (Programming/Development Category)
- Gold Medal – Scout Guide National Program (2018)
- Gold Medal – Intra School Cricket Competition (2022)
- Silver Medal – School Science Exhibition (2017)
- Sports Committee Member – College Hostel (Leadership & Event Management)
